RE: NSF – Center for the Environmental Implications of Nanotechnology (CEIN)

DATE: September 24, 2007

The University of Arizona is invited to submit one proposal for the NSF – Center for the Environmental Implications of Nanotechnology Program. The guidelines for the program can be found at <http://www.nsf.gov/pubs/2007/nsf07590/nsf07590.htm>. Preliminary proposals must be submitted to the NSF Fast Lane by **December 10, 2007**. The preproposal should consist of:

- (1) no more than a two-page summary of the proposed program
- (2) curriculum vitae of the nominee

If more than one nomination is received, a committee of peers will be convened to select the University's candidates. Please forward your nominations to this office by **Monday, October 29, 2007**.
